

Get Internship Ready!

5 Summer Career To-Dos for A&S students

1 Get Ahead Of The Curve

- **Most summer internships open in early fall, so early prep is key.**
- Take a skills self-assessment (<https://www.careerexplorer.com/orgs/miami>)
- Identify strengths and uncover talents

2 Professional Presence

- Use online resources from the Toppel Career Center for guidance (<https://hireacane.miami.edu>)
- Create/update your resume
- Build/refresh your LinkedIn profile
- Get a professional headshot taken (<https://hireacane.miami.edu/resources/booth/photobooth.html>)

3 Get Connected

- Connect with people in your circle (family and peers)
- Explore UM LinkedIn account to reach UM alumni
- Use the Cane2Cane platform for their career community (<https://cane2cane.miami.edu/v2>)

4 Early Career Plan

- Learn a new skill that adds value to your academic experience
- Identify your fields of interest and make a list of target companies
- Activate your handshake account and get familiar with the platform

5 Book With Us!

- Schedule an appointment with ASPIRE on our website in early Fall.
- Discuss and develop your internship strategy
- Get personalized guidance. Check Handshake, ASPIRE website for postings and visit Toppel, if needed.
